I actually am booked after 2:00 until 6:00 but could talk then- or tomorrow morning if that would work. We are getting some uncertainty from panelists and thinking we may need to make a change!

I am here now if that works; or we can schedule tomorrow. Thank you.

Hi Janet, I can call you at 4:14 this afternoon. Does that work?

Marietta- could you give me a quick call to discuss the session we have scheduled for our Regulatory Conference next week?

Many thanks.
